Appeal for assistance

Dear Colleagues,

Severe flooding has affected many hundred thousands of citizens and caused grave damage in several Balkan countries such as Bosnia-Herzegovina, Croatia and Serbia. The 9th EPSU Congress heard evidence of the trade union representatives, see for example here: <http://youtu.be/hiPml6Oc8TY>

It also sent a message of sympathy and solidarity to the unions (www.epsu.org/a/10488). Congress agreed to call on affiliated unions to provide assistance allowing the unions to support their members and continue the union work.

As several countries and unions are involved, EPSU plays a coordinating role. The contributions can be made to the EPSU Bank account - please mention: *Flooding Balkans*.

EPSU account : IBAN: BE62437620094261 – BIC: KREDBEBB

On behalf of the unions we thank you in advance for the support provided.

In Solidarity,

Rosa Pavanelli,
PSI General Secretary

Jan Willem Goudriaan,
EPSU General Secretary
