Lunches and coffee breaks will be provided for sponsored and non-sponsored participants ONLY during the meetings for which they will be registered.

### 2. SPONSORSHIP

---

Due to financial constraints, PSI is able to offer a very limited number of sponsorships. Affiliates will be considered for sponsorship on the following conditions:

- Affiliates must have fulfilled their financial obligations to PSI by 1<sup>st</sup> July, **up to and including 2015 affiliation fees**;
- Affiliates who have paid regularly, entirely and in due time during the last five years (2010 to 2014 inclusive) have priority;
- Affiliates who respect the principle of equal representation between men and women in their delegation, in accordance with PSI Constitution, have priority.

The final decision regarding sponsorships will be communicated to you **in mid-July 2015**.

### 3. DELEGATION ENTITLEMENTS

---

#### Delegates

According to the PSI Constitution (Article 6.6), unions are entitled to send a specific number of **delegates** to Congress, based on payment of affiliation fees. These entitlements also govern the union's voting rights. The same rule applies for AFRECON. Voting rights will be based on 2010-2014 inclusive (5 years).

*"... Affiliates' representation is based on the following schedule. Each gender should be equally represented where there is more than one delegate unless this is not feasible due to very significant over-representation of one gender within the affiliate's membership.*

1 delegate	up to	5,000 members
2 delegates	from	5,001 to 10,000 members
3 delegates	from	10,001 to 20,000 members
4 delegates	from	20,001 to 35,000 members
5 delegates	from	35,001 to 50,000 members
6 delegates	from	50,001 to 100,000 members

*plus one delegate for each additional 50,000 paid-up members and/or part thereof..."*

## Observers

According to PSI Constitution (Annex 4: Congress rules/Standing Order), unions are entitled to send a specific number of **observers** to Congress, based on payment of affiliation fees. The same rule applies for AFRECON.

*“... Affiliated organisations may send observers on the basis of one per 100,000 paid-up members and/or part thereof. Each gender should be equally represented, where there is more than one observer, unless this is not feasible due to very significant over-representation of one gender within the affiliate’s membership...”*

## Visitors

Any other union’s representatives will be considered as “**visitor**”. “Visitors” are those participants who have neither delegate nor observer status, either because their delegation entitlement has already been filled or because they represent a non-affiliated organisation.

## 4. VOTING AT CONFERENCE

---

Voting will take place according to the PSI Constitution (Annex 4: Congress Rules/Standing orders). The head of delegation will receive ballot forms for “card” votes and all delegates will receive voting cards for “show of hands” votes.

The PSI Constitution provides for **voting by proxy**. Unions that are unable to attend the Conference should nominate another participating union from the same constituency to cast the proxy vote and inform PSI in writing **by 24<sup>th</sup> August 2015**.

*“... Any affiliated organisation unable to be represented at Congress may authorise the delegate of another organisation from the same sub-region to represent it. Such authorisation shall be valid on condition that the General Secretary of PSI is informed of it in writing **four weeks** in advance by the organisation giving authority. No organisation may exercise the **proxy** votes of more than three other organisations...”*

## 5. ACCOMMODATION

---

PSI has reserved a number of bedrooms at the Gaborone Sun Hotel, which adjoins the Conference Centre.

Please note that all sponsored participants will be required to share a room with another sponsored participant, as decided by the PSI Secretariat.

Hotel confirmations will be sent to participants around **end of July-early August**.

The **participants not sponsored by PSI** should contact the hotel directly to make their own bookings (mentioning AFRECON and PSI). Please be aware that pre-payment of the reservation might be requested by the hotel as a guarantee.

## 6. TRAVEL ARRANGEMENTS and LOCAL TRANSPORT

---

PSI will be arranging flights for **sponsored participants ONLY** and their tickets will be booked to arrive and depart as close as possible to the opening and closing dates of the Conference and/or relevant pre-meetings.

Non-sponsored participants should make their own travel arrangements to Gaborone and inform us about their flight details (flight number with arrival/departure dates and times) **as soon as possible**, in order to include them in the transportation from the airport to the hotel. If we don’t have these details in good time, non-sponsored participants will have to take a taxi to the Gaborone Sun Hotel & Conference Centre, which can be very expensive.

**All participants** (sponsored and non-sponsored) who have given us their flight schedule will be met by our local affiliates at Sir Seretse Khama International Airport in Gaborone. Bus transfers will be organised from the airport to the hotel, with returns to the airport at the end of the Conference.

## **7. VISA and HEALTH REQUIREMENTS**

Please consult the nearest Botswana Embassy to check whether you need a visa to go to Gaborone. These arrangements can take some time, so the earlier contacts are made the less is the likelihood of problems or delays. The final list of participants will be sent to local authorities to facilitate the visa process. If you need a personal invitation letter, please contact [Clarisse.Heronneaud@world-psi.org](mailto:Clarisse.Heronneaud@world-psi.org) to request one.

Be aware that if you fly with South African Airways via South Africa, you need a **transit visa**. If you fly with Kenyan Airways, you don't need a transit visa.

Participants should be sure to have their vaccinations up to date. Again, you should check with the embassy to know the exact requirements. Yellow fever vaccination is recommended, as well as anti-malaria treatment.

## **8. DOCUMENTS FOR THE CONFERENCE and RELATED MEETINGS**

You will find enclosed the detailed programme of the Conference and related meetings. More background documents will be sent **mid-August**. We invite you to consult the PSI website, which will be updated with new documents on a regular basis ([www.world-psi.org/AFRECON2015](http://www.world-psi.org/AFRECON2015)).

## **9. INTERPRETATION and TRANSLATION**

During the Conference and related meetings, interpretation will be provided in Arabic, English, French and Portuguese.

Documents for the various meetings will be translated into English and French. Only some of them will be translated into Arabic and Portuguese.

## **10. PARTICIPATION FORM**

In order to ease the registration process, we will take into account the names, which were submitted to us last year, unless otherwise mentioned (see attached list). You will find enclosed a participation form to inform us about any change in your delegation, if needed (please send it back before **27<sup>th</sup> April 2015** to [Clarisse.Heronneaud@world-psi.org](mailto:Clarisse.Heronneaud@world-psi.org) and [Valerie.Malm@world-psi.org](mailto:Valerie.Malm@world-psi.org)).
