

# Health Workforce and COVID-19

## **Time to Protect. Invest. Together.**

A Webinar Action Series

### **Episode 1 – Protect.**

Protecting health and care workers means decent working conditions, occupational health and safety, promoting IPC practices... and so much more.

Experts from governments, labour unions, academia, CSOs and international organizations will share lessons learnt on fair and safe working conditions, mental health, work organization, gender transformative action and other key issues.

**5 May 2021**

Morning option: 09h00 – 10h30 CET

Afternoon option: 16h00 – 17h30 CET

Simultaneous interpretation will be available in French, Spanish, Russian, Arabic and Portuguese
